TOWN MEETING RESUMES SATURDAY

The adjourned Town Meeting will reconvene at 1:30 pm Saturday in the High School gymnasium. The last act of the Town Meeting

last Saturday was to vote for a Saturday date, instead of a Monday date, as the Selectmen desired. Selectman James Miceli told the

Ralph Ambrose is the Good Guy of 1969.

The Supervisor of Principals of the Wilmington Public Schools was the most surprised recipient of the award Monday night, at Rocco's Restaurant, on Main Street.

Mr. Ambrose, who lives in Concord, and who has been with the Wilmington Public Schools since the end of World War II, is the second winner of the yearly award, and was chosen by a committee headed by Rocco De Pasquale, last year's winner.

It was a complete surprise. As he told the 105 friends gathered at the restaurant for the party, he spent his last ten minutes at home looking for the tickets for the party, to be certain that he would be allowed in.

He did not suspect that anything was 'wrong' until he saw his four sons in the party, seated at a table. His brothers, Howard and Vincent, with their wives, all of Winchester where Ambrose once lived, were also in the audience.

Ambrose was told that it was to be a surprise party for Walter Pierce, Assistant Superintendent of Schools of Wilmington.

Lloyd C. Bender, who originated the Good Guy Award, was the Master of Ceremonies, and seated

at the head table was Rep. Fred F. Cain and others, including last year's recipient, Mr. De Pasquale. The Good Guy award is made

Dear Dom:

In connection with our recent conversations, this will advise you that we are still actively considering developing a Motor Lodge and Restaurant complex in Wilmington. We are con-

dering both company operation and licensee operation and as such I am discussing the matter with several interested parties.

Although a final decision is still pending, I assure you that I am still quite active on this matter and would advise you to proceed with your plans to have the property re-zoned as this will be a requisite to our planning.

If I can be of any further help, please let me know. Also I will keep you posted as to progress at this end.

The Town Engineer

The Town Meeting last week did not understand the importance of Wilmington's Engineering Department. Perhaps some of the fault can be laid to this paper, but in part the Selectmen were also at fault.

For the past several years the Town Engineer, whenever possible, has been surveying roads which will become of primary importance, for schools and other reasons.

The 'layout' of many roads in Wilmington dates back to the Horse and Buggy Days, when the only other method of locomotion was Shank's Mare. A street could be wide, or narrow, straight or crooked - it made little difference in those days.

Today the automobile rules, and frequently the Selectmen and School Superintendent have to listen to complaints about traffic and school children. A few years ago the town embarked on a 'sidewalk program' and a committee was appointed. That committee found that \$1,250,000 could be spent to put in sidewalks - obviously beyond the town's ability to pay.

But the Town Engineer has been looking ahead, and trying to get streets 'laid out' so that future homes will not make things more difficult, and so that someday there will be space for the sidewalks that might be built. It is not easy - every new homeowner just adds to the difficulties, on the old streets, and new homes are being built all the time.

Surveys have to be made because the old lot lines paid no attention to the streets. A street can be 30

feet wide at one point, and 22 feet wide a little further on. There should be at least forty, and fifty feet is a better width, for proper sidewalks.

Boutwell Street has been mentioned, and it is bad, but a new school is about to be built at Hopkins Street. \$3000 was spent on that survey, which was thrown aside by the Town Meeting - and next year there will probably be more homes on that street, and the problem will just be that more difficult.

How much it cost to survey Clark Street this column does not know, but the Town Engineer has been working at it, off and on, for two years. Every one on the street has agreed to the survey, but then the town got penny conscious, and tossed aside the survey, in the Town Meeting.

The writer of this column served notice that Clark Street will be up for 'reconsideration' just before the adjournment last Saturday. The town will get a second chance.

Not to accept the survey of Clark Street is foolish. A sidewalk must be built, some day, near the home of Dr. Fagan, where the street is only about 18 feet wide as it curves, and goes over Mill Brook. Someday a child will be injured by a car, at that place. Not Might. Will Be.

The cheapest and best way for the town is to accept the surveys as the Town Engineer completes them, and hope that it can get the sidewalks someday. The fact that other streets need the sidewalks too is something that will have to wait until the Town Engineer can get to the streets - but don't throw aside the work that he is doing.

Let the Town Meeting accept his work - and not just throw it away. He is being foresighted, and it is too bad that the Town Meeting had to not only put aside his work, but cut his budget too.

Kiwanis to Award Scholarships

The New England Kiwanis District is sponsoring 10 \$1600 scholarships for High School Seniors, and several lesser scholarships of \$375 will also be awarded.

The Wilmington Kiwanis Club, in early April, is to present qualified students to Division Six, of which Wilmington is a member.

Wilmington residents planning to enter college as freshmen next fall, and interested in participating in the program may obtain applications from Harold Garrett, Vice Principal of the High School. All applications must be returned to the Vice Principal's office no later than March 30th.

TOWN MEETING (Fr. Fr. Pg.)

meeting that it would cost \$1000 to delay for a week, and added that this was 10 cents on the tax rate, but the voters wouldn't hear it - even though they had spend the afternoon and evening cutting pennies and nickles from the tax rate for 1969.

So far the tax rate is up \$5.16 over that of a year ago, assuming that the state financial situation and the town's valuation will come out as assumed by the Finance Committee.

\$50,000 SNOWSTORM: Town Manager Morris Sterling relates the bad news that the second snow storm cost the town \$50,000.

Even though it was a penny pinching Town Meeting, the voters were able to respond to humor, and the Wilmington Fire Department will get a new 1000 Gallon Pump as a result.

Selectmen's Meeting

The Selectmen had a short meet-
ing on Monday night.

The Student Government elec-
tees for Selectmen, Judy Connors,
Eddie Gillis, and Gerry Land were
present with their sponsors from
the league of Women Voters, Mrs.
Christian Bachman, Mrs. George
Robertie, and Mrs. Henry Stewart.

Mr. Gillis spoke for the group
and said there was a tie vote on
the Town Manager. Mrs. Stewart
said that they would be ready to
conduct a meeting next week, after
the two Boards - student and real
boards had been introduced by
Chairman George Boylen.

For the Jury Pool in Cambridge
in April, Robert M. Espanola, 40
High Street and Arthur E. Holmes
of 5 Kidder Place were drawn
and Ralph DeLisle of 15 Belmont
Avenue was drawn for the Lowell
Civil Session.

The Selectmen then reviewed
the meaning of some of the arti-
cles for the reconvened Town
Meeting on Saturday.

Boylen read a letter from the
MBTA announcing a hearing of
the MBTA for the approval of
continuing routes to this area as
designated on January 31, 1969.
The hearing will be held on Fri-
day March 14 at 10 am at the
Parker House, with Miceli the
representative for the Board.

An invitation was read to the
Selectmen to the muster of the
Minutemen on March 16th at 2
pm in the American Legion Hall.
This will be the first muster in
100 years of the Wilmington Com-
pany. Miceli murmured, "They
don't meet too often!" with a grin.

Very little new business was
brought before the meeting. Mrs.
Drew spoke of numerous telephone
calls about the town meeting.

Miceli asked about precau-
tions for flooding and it was de-

cided that as last year, all calls
concerning the flooding condi-
tions would be handled by the Civil
Defense, 658-6232.

Banda stated that Cain had said
that there was something that
could be done about the Veterans
Pension, and this would be investi-
gated for the future. This was a
question on the floor of the Town
Meeting last Saturday.

The meeting adjourned at 8 pm

TOWN MEETING (From Page Two)

Fire Chief Arthur Boudreau, and
Lt. Robert Woods displayed a lit-
tle quick humor which the voters
appreciated.

The chances of the town voting
for a new pumper, which was op-
posed by the Finance Committee,
were dim, until the Fire Chief
remarked that it might be needed
because new industries were mov-
ing into town - whereupon a voter
wanted to know if the pumper
would be used on private homes
as well.

"Only if they are on fire!" said
Boudreau. That remark won him
the new pumper, especially after
Lt. Woods said that the best thing
to do with the 1940 Mack pumper
was to equip it with 'Antique'
license plates.

And the voters added 36 cents
to the tax rate.

But the Fire Chief lost in his
bid to get a new car for his use.

And, perhaps more importantly,
the Police Department lost in their
bid for new cruisers. The Town
Meeting bought two vehicles, one
to replace the K-9 Station Wagon,
and one to replace the unmarked
car, but the two regular cruisers
will have to do for another year.
(One of the cruisers had to be
towed to a garage, the day after
the Town Meeting. Mechanics have
told the Town Crier that they are
good for about two months).

Tea Bag

Wearing a tea-bag on his coat
lapel, and a self-written sign pro-
claiming that he was the chairman
of some Wilmington tax payers
committee, Felice Vitale of Wo-
burn Street sat in the front row
during the entire meeting, and
questioned nearly every item that
was labeled Expenses, or Capital
Outlay.

After this had happened for the
thirteenth time Rocco De Pasquale
stood up and suggested that if the
Finance Committee had posted a
detailed explanation of the expen-
ses and capital outlays Mr Vitale
would have no reason to ask the
questions, and there would be no
delay of the town meeting. He
was followed by Weyman Billings
who asked the Moderator to please
explain to Mr Vitale that he did
not represent the Town Meeting.
Vitale sat quietly for a few min-

utes after this, but then resumed
his questioning.

Veteran's Retirement

The Town Meeting did discover
one item that it could discuss, a
\$10,000 account labeled Veteran's
Retirement. The item was brought
to the attention of the Town Meet-
ing by Carl Noelcke of Roberts
Road, and was discussed at some
length by the voters, among them
being Mrs. Ruth Kitchener of Al-
drich Road, who wanted to know
when and how the town had adopted
the law involved.

Harold McKelvey of Border Ave-
nue stood up at the beginning of
the discussion, and identified it
as 'one of twenty-three' which, he
said, he had passed by the
State Legislature.

The law, it turned out, allowed
veterans of World War I, who
were retiring on the Middlesex
County Retirement System to with-
draw the money that they had paid
into the retirement fund, and then
the town would have to pay that
money instead.

The more the meeting discussed
the \$10,000 appropriation the more
indignant it became. Selectman
Miceli stood up, not once, but
twice to assure the meeting that
he was not a member of the board
of Selectmen in 1961, at which time,
the meeting was told, the Selectmen
had adopted the law.

John Chapman of Marcus Road
pointed out to the Town Meeting
that this would now probably be
happening for veterans of World
War II, and then it would happen
for veterans of the Korean con-
flict, and for the veterans of the
Viet Nam conflict.

But the Town Meeting appro-
priated the money. Three Wil-
mington veteran employees are
or will be involved, it was told.

(The Veteran's Retirement, new
to Wilmington, is common in many
cities and towns of Massachusetts.
There are several dozen such re-
tirees in Somerville.

There is reportedly no record
of any such vote in the Selectmen's
records, for 1961. One place does
record that a conversation on the
subject did take place. Selectmen
who were part of the discussion
later signed affidavits that the vote
was taken, and a ruling has been
made that the affidavits make every
thing legal. Ed.)

Engineering Cut

The Engineering Department
was roughly treated by the Town
Meeting.

As he did last year, Selectman
Miceli led in the budget cut. He
succeeded in getting \$7,448 cut
from the budget of the Town En-
gineer. The cut will eliminate
two student engineers from North-
eastern University, who have been
the 'staff' of the Engineering De-
partment for half a dozen years.
A Junior Engineer will now be
hired, instead.

WE URGE YOU TO

ARTICLES 52 AND 53 'CONSERVANCY DISTRICT'

THE AMENDMENTS TO BE PROPOSED BY THE PLANNING BOARD (SEE TOWN CRIER, MARCH 6, 1969) ARE MERELY HASTY ATTEMPTS TO COUNTERACT THE OBJECTIONS CITED BY THE CHAMBER OF COMMERCE. HOWEVER, THE IMPACT WILL BE THE SAME - HIGHER TAXES - REDUCED LAND VALUE - STAGNATED GROWTH FOR THE TOWN OF WILMINGTON.

AGAIN, WE POINT OUT!

- ARTICLES 52 AND 53 WILL NOT ACCOMPLISH THEIR STATED OBJECTIVES - BECAUSE THEY ARE LEGALLY UNENFORCEABLE, AND UNCONSTITUTIONAL.

- ARTICLES 52 AND 53 WILL AFFECT NEARLY TWO MILLION DOLLARS OF ANNUAL ASSESSMENTS WHICH IN TURN WILL INCREASE TAXES TO YOU, THE TAXPAYERS.

- ARTICLES 52 AND 53 WILL RESTRICT POTENTIAL NEW AND DESIRABLE CONSTRUCTION, PREVENTING THE ADDITION OF MILLIONS OF DOLLARS TO THE TAX ROLLS, FURTHER INCREASING YOUR TAXES.

- ARTICLES 52 AND 53 ATTEMPT TO REMOVE VIRTUALLY ALL THE RIGHTS OF PROPERTY OWNERS, WITHOUT COMPENSATION. THIS IS MORALLY AND LEGALLY UNJUST.

- THERE ARE EXISTING STATE AND FEDERAL STATUTES, SUCH AS THE HATCH ACT, THE INLAND-WETLAND BILL AND STATE PUBLIC HEALTH LAWS, WHICH ACCOMPLISH THE LEGITIMATE CONSERVATION OBJECTIVES OF ARTICLES 52 AND 53 WITHOUT NEED OF THIS COSTLY MEASURE.

We support, and highly endorse any legislation necessary to promote the best interests of the town of Wilmington.

We support and highly endorse the principle of conservation.

It is Still Lawful to 'Seize the Body'

Justice Vincent R. Brogna of the Middlesex Superior Court has ruled for the Town of Wilmington, in a tax collection case, and in so doing has in effect said that it is still lawful for Tax Collectors to 'seize the body' of a non-payer of taxes, and put that person in jail.

The ruling was handed down on January 21st of this year, in a case that is unique for this day and age, and for which Town Counsel had to do a lot of study of ancient laws, in Massachusetts and under Federal Law as well.

The non payer of taxes is a Wilmington man, and he was arrested on March 29 of last year because he could not pay excise taxes which were four years in arrears. Leo Harrington of Fairmeadow Road was the Deputy Tax Collector who made the arrest, and he put the 'body' in Billerica jail.

That was when Altman first heard of it - and he immediately began to envision all sorts of suits for false arrest, and could see the town being sued for hundreds if not thousands of dollars, because a man had been put in jail for non-payment of taxes!

The non-payer of taxes owed the sum of \$779.95 in excise taxes, going back for four years. He had no money - in fact he was on relief, and collecting over \$100 a week from the town for the upkeep of his family.

Harrington called him on the telephone on a Thursday, and said that if the excise tax bill was not paid on Friday he would arrest him and put him in jail for non-payment of taxes.

On Friday Harrington was told

by the delinquent tax payer that no payment could be made - not even a token payment.

So Harrington 'seized the body' as the old expression goes, and put the delinquent tax payer in the Billerica jail.

Saturday morning Altman was in Lowell District Court, as was an attorney from the Boston Legal Assistance Project.

The Wilmington man who had been arrested admitted that he owed the money, and that he could not pay, and that he had never filed any applications for abatement.

The non-payer of taxes was released in the recognizance of Mr. Harrington and he signed a paper agreeing that Harrington would not be held personally liable for the arrest.

On April 17th the Superior Court issued a temporary injunction enjoining Harrington and the Tax Collector from further arresting the individual, or otherwise depriving him of his liberty.

The question before Judge Brogna was the constitutionality of the proceedings.

Justice Brogna ruled that by reason of the provisions of Chapter 60, Section 31, of the General Laws of Massachusetts, which provides for the release of a person

committed to jail for the non payment of a tax, and for a hearing on his ability to pay, at which hearing the tax payer was represented by counsel, that the Section 29 (providing for arrest) does not violate the constitutions of the Commonwealth of Massachusetts, nor of the United States of America.

The Wilmington man still has a right of appeal, but has not done so.

The amount of money spent on medical care in the U.S. is rising faster than any other item.

Although you can't always prevent illness, you can prevent most accidents. You and your family should be accident alert at all times.

Keep floors and stairs clear.

Don't carry bundles so big you can't see where you are going.

Teach children how to avoid falls.

Keep sharp and dangerous things out of their reach.

Be alert for hazards they may run into. A little care will save hurt and money.

Reply to Mrs D.H. of Wilmington:

Webster defines Kumquat, an orange colored oval fruit about the size of a small plum with sour pulp and sweet rind, used as confection or preserves, and possibly as hors d'oeuvres.

So, Dorothy, you were eating kumquats all night, and thought they were orange colored olives...

Letter

March 10, 1969

Larz Neilson, Editor
Town Crier
Wilmington, Mass.

Interesting, isn't it, that the School Committee can publish an 'annual report' on glossy paper and in beautiful print and stereophonic color at a time when they and their wonderful spending program are sending the taxpayers to the poorhouse.

The picture they show of the Shawsheen Avenue school is also interesting. If everything is built according to that picture, the flagpole should be situated in the center of the intersection of Shawsheen Avenue and Hopkins Street. The school itself is almost sitting in Shawsheen Avenue.

It's comforting to know that there is so much fat in the school budget that this committee can tell us what a great job they are doing in such a magnificent fashion.

School Committee, do me a favor? Make a stencil next time and mimeograph it! My pocketbook can't take your affluence.

William D MacKinnon Jr P.S. Is this indicative of the across-the-board spending policy of the School Committee?

ARLINGTON TOPS WILDCATS 7 - 0

Defending champion Arlington, paced by Tony Lyons' six assists establishing an E Mass Hockey Tournament, record, scored an easy first round 7 - 0 victory over Merrimack Valley League Champion Wilmington last Friday night at the Boston Arena.

The Spy Ponders suffered through a scoring famine during its regular GBI seasons but the tournament is a whole new season

for the Arlington Club and our young Wildcats were awed by it all. The defending Eastern Mass Tournament champions exploded in this game as they dominated play throughout outshooting the Wildcats 27-13.

Davison and Burns got first period goals on power plays, and Zona made it 3-0 after 10 seconds of the second period with a rebound from the left of Dana Tighe. Davison added two more goals before the period ended.

Bernie Quinlan's 15-footer up the middle at 3:20 of the final period and Zona's second goal 30 seconds later wrapped it up.

Summary:
Arlington 2 3 2-7
Wilmington 0 0 0-0

First Period: (A) Davison (T Lyons, Zona) 5:44; (A) Burns (T Lyons, Zona) 6:52; Penalties - Esposito (Int) 5:19; Esposito (Cross check) 5:55; Quinlan (Tripping) 7:16; Saves Tighe 5, Bertagna 3

Second Period: (A) Zona (T Lyons Davison) 0:10; (A) Davison (T Lyons, Noonan), 3:14; (A) Davison (T Lyons, Noonan) 9:03. Penalties - Quinlan (Elbow) 3:55 Noonan (High Stick), 6:16; Saves Tighe 6, Bertagna 9

Third Period: (A) Quinlan (J Lyons, Deveau) 8:21; (A) Zona (T Lyons) 3:51. Penalties - Jack Irwin (Hooking) 2:10; Arlington too many on the ice 4:58; Zona (Int) 8:14. Saves: Tighe 10 (20), Bertagna 1 (13)

Congratulations to the captain of the Varsity Hockey Team, Jack Irwin, upon his selection as the recipient of the sportsmanship award of the league. Also a tip of the hat to Sophomore Mike

Esposito as he was chosen as an all star defenseman for the 68-69 season. He was also runner-up in the balloting for the MVP award. Bob Vigneau was the MVP of the league as voted by the coaches. The all-star team also included Goalie Joe Robillard of Burlington; Defenseman Dave Marson of Andover; Center, Bob Vigneau of Burlington; Right Wing Ed Malatesta of Burlington and Left Wing Ed Buckley of Tewksbury. With eight returning lettermen, the Wildcat Hockey Picture looks promising for next season. But that remains in the future. Coach Palm's prediction before this past season started, 'Not many victories, but a hustling unit,' exceeded all expectations. Despite losing to last years hockey tournament champions, Arlington, our boys deserve all the credit for the fine effort they put forth this season. Their record of 15 consecutive games without a loss in league competition is a very impressive mark which may be difficult for any team to improve upon.

Basketball

The final statistics of the Wildcat Basketball quintet shows Capt Ed Thomas the team leader in scoring with 368 points. Following him were Dan Ballou (203) Vin Spano (181), Jim Tildsley (175) Milt Cram (132), Al William (51) Al Helm (34); Billy Gustus (32) Dan Murphy (26); Gary Hebsch (17) Bill Jensen (8) and Dick Gillis (9) rounded out the team scoring.

The top field goal shooters were Thomas, 143/284 for 50% and Spano 78/174 for 45%. The best free throw marksmen were: Ballou 87/131 for 67% and Spano 24/43 for 58%. Seniors Thomas (218) and Cram (109) led the squad in rebounds. The most penalized players were Thomas (55 personal fouls) and Ballou (54).

Frank Leverone led the JV Basketball team in scoring as he poured 124 points through the nets. Dick Gillis with 102 and Bill Gustus with 93 trailed the leader. Bill Jensen was the field goal leader, a shooting 59% making 35 of 59 attempts. Dennis Murphy made 94% of his free throws to pace the younger Wildcats in that department. Dick Gillis (48) and John McNevin (45) committed the most personal fouls. Murphy registered the most rebounds, 86.

Now that the interscholastic athletic season for winter sports has ended for the Wildcats, the intramural program is in full swing. The boys are participating in a basketball program and the girls are active in gymnastics.

A Gold Watch to Ida Leblanc

On February 18th, Dr Henry L. Foster, president of The Charles River Breeding Laboratories, Inc. and its affiliated companies, presented a gold pendant timepiece to Mrs Ida LeBlanc for her ten years of dedicated service (1959-1969) to the company.

Dr Foster stated that 'Mrs. LeBlanc has made a significant contribution to the tenfold increase in the company's size during this period, and her loyalty and unselfish effort have made a permanent mark in the company's history.'

Mrs LeBlanc resides at 8 Wedge wood Road with her husband, Leo who has worked for the B&M Rail road for the past 25 years, and her son, Raymond. She has another son, Morris, who lives in Woburn with his wife and 3 children. Mrs LeBlanc was born and grew up in Manchester, New Hampshire, but has lived in Wilmington for the past 26 years, and at one time operated a small variety store on Lowell St.

On February 16, 1959, Mrs LeBlanc started her career with Charles River as a trainee for the position of animal technician. Her ability and conscientiousness were soon recognized, and she was elevated to animal room supervisor and then to building supervisor at which time she was responsible for many animal rooms.

In 1962, Mrs LeBlanc was placed in charge of personnel recruitment and training. In this capacity, as personnel manager, her unusual

qualities enabled her to excel in this position, during which time the company's size, both from an animal production and personnel standpoint, increased many fold.

During the summer of 1968, Mrs LeBlanc was once again recognized and designated to assume the position of Director of Production for the entire Wilmington operation.
